## **INDEPENDENT AUDITORS' REPORT**

To the Board of Directors  
All Stars Helping Kids, Inc.  
Santa Clara, California

We have audited the accompanying financial statements of All Stars Helping Kids, Inc. (a nonprofit organization), which comprise the statements of financial position as of September 30, 2018 and 2017, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Opinion**

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of All Stars Helping Kids, Inc. as of September 30, 2018 and 2017, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE A - ORGANIZATION**

For over 28 years, All Stars Helping Kids, Inc. (All Stars) has fulfilled a vision to increase the effectiveness of Bay Area nonprofits so that all youth can thrive, regardless of where they come from. During this time, we have invested over eleven million dollars in over 500 nonprofits. We believe that with early-stage investment, many more nonprofits could make the world a better place. The mission of All Stars is to disrupt the cycle of poverty and encourage innovation by seed funding start-up nonprofits in the Bay Area. The values that guide our work, both internally and in the community, are: Risk-taking, Teamwork, Integrity and Reflection.

All Stars has invested in hundreds of nonprofits who reflect our mission, vision and values. These nonprofits serve children in the Bay Area and beyond by meeting needs for literacy and education programs, camps, out-of-school enrichment programs, community and family integration services, high-quality medical care and treatment, and many other areas. All Stars Helping Kids operates within a simple formula of raising money for the purpose of redistributing funds to start-up nonprofits. We also encourage sustainability by providing organizational best practice resources to create opportunities in education, health, and life skills for disadvantaged youth. We believe that breaking the cycle of poverty will give all youth a fair shot and will benefit each and every one of us too.

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

*Basis of Accounting* - The financial statements of All Stars have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

*Basis of Presentation* - All Stars is required to report information regarding its financial position and activities in accordance with three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

*Unrestricted* - These generally result from revenues generated by receiving unrestricted contributions and receiving interest from investments less expenses incurred in providing program related services, raising contributions, and performing administrative functions.

*Temporarily Restricted* - All Stars reports gifts of cash and other assets as temporarily restricted support if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends, or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statements of activities as net assets released from restrictions. Restricted contributions whose restrictions are met in the same reporting period are recorded as temporarily restricted contributions.

**(a California nonprofit corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Basis of Presentation (continued)*

*Permanently Restricted–Endowments* - Permanently restricted net assets consist of assets the use of which has been restricted for investment in perpetuity as donor-restricted endowments. As specified by the donor, the income from endowments is available for either general operations or specific programs as All Stars determines. The Board of Directors of All Stars (the Board) has interpreted the State of California's enacted version of the UPMIFA as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. Because of this interpretation, All Stars classifies as permanently restricted net assets; (1) the original value of gifts donated to the permanent endowment, (2) the original value of subsequent gifts donated to the permanent endowment, and (3) additions to the permanent endowment in accordance with donor directions. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as unrestricted net assets until those amounts are appropriated for expenditure by All Stars.

*Use of Estimates* - The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

*Cash and Cash Equivalents* - Cash and cash equivalents include highly liquid investments and investments with a maturity of three months or less.

*Unconditional Promises to Give* - Unconditional promises to give consist of amounts due for support and from fund-raising events held during the fiscal year. Unconditional promises to give are recognized at their net realizable value in the period received provided that they are to be paid within one year. Amounts that are expected to be collected in excess of one year are recorded at the net present value of their estimated future cash flows. The discounts on these amounts are computed using risk free rates modified for certain considerations applicable to the number of years the pledge is expected to remain outstanding. Amortization of the discounts is included in contributed revenue in accordance with donor-imposed restrictions, if any, on the contributions. During the years ended September 30, 2018 and 2017, no amortization of the discounts has been recognized.

All Stars recognizes an allowance for estimated bad debts on unconditional promises to give that are no longer estimated to be collectible. All Stars adjusts any allowance for subsequent collections upon final determination that an amount is no longer collectible. Management recognized an allowance for estimated bad debts for \$48,750 as of September 30, 2018 and \$3,750 as of September 30, 2017.

**ALL STARS HELPING KIDS, INC.**  
**(a California nonprofit corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Furniture and Equipment* - Furniture and equipment are carried at cost or, if donated, at estimated fair value on the date of the gift if the cost or estimated fair value is \$2,500 or greater. Major additions and betterments are capitalized; maintenance is charged to operations as incurred. Gains and losses on dispositions, if any, are included in operations in the year of disposal. Depreciation for furniture, computer equipment, software, and website is computed using the straight-line method over three to seven years.

*Funds with Deficiencies* - From time-to-time, the fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or UPMIFA requires All Stars to retain as a fund of perpetual duration. In accordance with generally accepted accounting principles, deficiencies of this nature are reported in unrestricted net assets per donor intent. Such deficiencies may result from unfavorable market fluctuations that occurred shortly after the investment of new permanently restricted contributions and continued appropriation for certain programs that was deemed prudent by the Board.

*Revenue Recognition* - Contributions from individuals, corporations and foundations are recognized when the donor makes a promise to give to All Stars that is, in substance, unconditional. Conditional promises to give are recognized when the conditions upon which they depend are substantially met. Cash from conditional gifts received prior to the conditions being met will be classified as deferred revenue. Special event sponsorships and grants are recognized in the year pledged. Special event revenue from auction items sold at the events are recognized as revenue in the period the event is held.

Unconditional promises to give due in the next year are recorded at their net realizable value.

In-kind donations consist of the following:

*Materials* - Donations of materials are recorded as support at their estimated fair value on the date of the donation. Such donations are reported as unrestricted support unless the donor has restricted the donated materials to a specific purpose. Materials donated with explicit restrictions regarding their use are reported as restricted support. Gifts of long-lived assets are reported as unrestricted support and depreciated over their useful life.

*Services* - Donated services are recognized if the services received (a) create or enhance nonfinancial assets, or (b) require specialized skills that are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

**ALL STARS HELPING KIDS, INC.**  
**(a California nonprofit corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Income Tax Status* - All Stars was granted a tax-exempt status under Internal Revenue Code (IRC) Section 501(c)(3) and California Revenue and Taxation Code Section 23701(d). Accordingly, no provision for income taxes has been reflected in these financial statements. In addition, All Stars qualifies for the charitable contribution deduction under IRC Section 170(b)(1)(A) and has been classified as an organization that is not a private foundation within the meaning of IRC Section 509(a).

All Stars reviews and assesses tax positions taken or expected to be taken against more-likely-than-not recognition threshold and measurement attributes for financial statement recognition. All Stars' policy for evaluating uncertain tax positions is a two-step process. The first step is to evaluate the tax position for recognition by determining if the weight of available evidence indicates that it is more-likely-than-not that the position will be sustained upon audit, including resolution of related appeals or litigations processes, if any. The second step is to measure the tax benefit or liability as the largest amount that is more than 50% likely to be realized or incurred upon settlement. All Stars is exempt from taxation under IRC Section 501(c)(3) and is generally not subject to federal or state income taxes, the tax positions taken or expected to be taken have not had a material impact on All Stars' financial statements.

*Concentration of Credit Risk* - Financial instruments that potentially subject All Stars to concentrations of credit risk consist principally of cash. Risks associated with cash are mitigated by banking with creditworthy institutions. The federally insured limit is \$250,000 per institution. There were no amounts in excess of federally insured limit as of September 30, 2018 and 2017.

*Investments* - Investments in debt and equity securities are carried at the quoted market value of the investments. Net realized and unrealized gains and losses and investment income are reflected as increases or decreases in the unrestricted class of net assets in the period in which the gains and losses occur, unless the donor or relevant laws place temporary or permanent restrictions on the gains and losses.

Realized gains or losses are calculated on an adjusted cost basis. Adjusted cost is the estimated fair value of the security at the beginning of the year, or the cost if purchased during the year. Dividend and interest income are recorded when earned. All investments restricted for long-term purposes are classified as long-term investments.

*Grants and Contributions Payable* - As of September 30, 2018, All Stars had authorized \$168,500 in grants and contributions that were unpaid at year-end. The grants and contributions are to be paid in less than one year. If the grants and contributions payable were to be made in one or more years, it would be considered a noncurrent liability and reflected at the present value of estimated future cash flows using an average discount rate, based upon the applicable federal rate.

**ALL STARS HELPING KIDS, INC.**  
**(a California nonprofit corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Fair Value Measurements* - The carrying amount of cash, time certificates of deposit, receivables, and payables approximate fair value because of the short maturity of those instruments. All Stars follows the fair value measurements and disclosures standards which define fair value, establishes a framework for measuring fair value to measure assets and liabilities, and expands disclosures about fair value measurements. Under the standards for fair value measurements and disclosures, fair value is defined as the exchange price that would be received for an asset or paid to transfer a liability in the principal or most advantageous market for the assets and liabilities in an orderly transaction between market participants on the measurement date. Valuation techniques used to measure fair value must maximize the use of observable inputs and minimize the use of unobservable inputs. Observable inputs reflect assumptions market participants would use in pricing an asset or liability based on market data obtained from independent sources while unobservable inputs reflect a reporting entity's pricing based upon their own market assumptions. Subsequent changes to fair value of these financial assets and liabilities are recognized in the change in net assets when they occur. The standard applies whenever the Financial Accounting Standards Board Codification (the Codification) requires or an irrevocable option has been made to measure certain financial assets or liabilities at fair value.

The fair value hierarchy consists of the following three levels:

*Level 1* - Valuation inputs are obtained from real-time quotes for transactions in active exchange markets involving identical assets and liabilities.

*Level 2* - Valuation inputs are obtained from readily-available pricing sources for comparable instruments.

*Level 3* - Valuation inputs are obtained without observable market value and require a high level of judgment to determine the fair value.

There have been no changes in valuation techniques for the years ended September 30, 2018 and 2017.

*Functional Allocation of Expenses* - The costs of providing programs and other activities have been summarized on a functional basis in the statements of activities. Accordingly, certain costs have been allocated based on management estimates among the programs and supporting services benefited.

**ALL STARS HELPING KIDS, INC.**  
**(a California nonprofit corporation)**

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Sales Proceeds of Donated Financial Assets* – For purposes of the statements of cash flows, All Stars classifies cash receipts from the sale of donated financial assets consistently with cash donations. If All Stars receives donated financial assets that upon receipt are converted immediately into cash without any donor-imposed limitations, the cash receipts from the sale of those financial assets are classified as cash inflows from operating activities. If the donor restricts the use of the contributed resources to long-term purposes, the cash receipts from the sale of those financial assets are classified as cash flows from financing activities. Otherwise, cash receipts from the sale of donated financial assets are classified as cash flows from investing activities.

*Recent Accounting Pronouncements Not Yet Implemented* - In May 2014, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*. The standard's core principle is that All Stars will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which All Stars expects to be entitled in exchange for those goods or services. This standard also includes expanded disclosure requirements that result in an entity providing users of financial statements with comprehensive information about the nature, amount, timing, and uncertainty of revenue and cash flows arising from All Stars' contracts with customers. This standard will be effective for the fiscal year ending September 30, 2020. All Stars is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

In February 2016, the FASB issued ASU 2016-02, *Leases*. The standard requires all leases with lease terms over 12 months to be capitalized as a right-of-use asset and lease liability on the statement of financial position at the date of lease commencement. Leases will be classified as either finance or operating. This distinction will be relevant for the pattern of expense recognition in the statement of activities and changes in net assets. This standard will be effective for the fiscal year ending September 30, 2021. All Stars is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

In June 2016, the FASB issued ASU 2016-13, *Financial Instruments-Credit Losses*. The standard requires a financial asset (including trade receivables) measured at amortized cost basis to be presented at the net amount expected to be collected. Thus, the statement of activities and changes in net assets will reflect the measurement of credit losses for newly-recognized financial assets as well as the expected increases or decreases of expected credit losses that have taken place during the period. This standard will be effective for the fiscal year ending September 30, 2022. All Stars is currently in the process of evaluating the impact of adoption of this ASU on the financial statements.

**NOTES TO FINANCIAL STATEMENTS**

**SEPTEMBER 30, 2018 AND 2017**

**NOTE B - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

*Recent Accounting Pronouncements Not Yet Implemented (continued)* - In August 2016, the FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities. ASU 2016-14 amends the requirements for financial statements and notes in Topic 958 to require a not-for-profit entity (NFP) to present on the face of the statements of financial position amounts for two classes of net assets at the end of the period rather than the three classes currently required, and on the face of the statements of activities the amount of the change in each of the two classes of net assets. An NFP will now report amounts for net assets with donor restrictions and net assets without donor restrictions. In addition, a NFP will be required to present the amounts of expenses by both their natural classification and their functional classification. Additional qualitative and quantitative disclosure information on the NFP's liquidity and availability of the NFP's financial assets will be required, as well as the elimination of the requirement to present or disclose the indirect method (reconciliation) if the NFP uses the direct method for the presentation of the statements of cash flows. ASU 2016-14 will be effective for annual financial statements issued for fiscal year ending September 30, 2019, applied on a retrospective basis in the year adopted. All Stars is currently in the process of evaluating the effect the adoption of this ASU will have on the financial statements.

*Subsequent Events* - ASC 855-10, *Subsequent Measurement*, requires additional disclosure for events or transactions that occur after September 30, 2018. All Stars has no subsequent events as of January 8, 2019. All Stars has not evaluated subsequent events after this date in the statements presented.

*Endowment Investment and Distribution Policy* - The Board of Directors may distribute a percentage of the fund's net income in such amounts that they deem appropriate. The Board has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment. Endowment assets include those assets of donor-restricted funds that All Stars must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board, the endowment assets are invested in a mix of stocks, corporate and government bonds and cash. To satisfy its long-term objectives, All Stars relies on a strategy in which investment returns are achieved through current yield (interest and dividends). Any marketable equity securities received by donation are sold as soon as practicable after receipt and are classified based on the donor's intention.

**NOTE G - DONATED MATERIALS AND SERVICES**

During the years ended September 30, 2018 and 2017, donated materials and services were recognized as revenue and expense in the statements of activities in the amounts of \$120,870 and \$478,390, respectively, which were included in support revenue and expenses.

**NOTE H – COMMITMENTS AND RELATED PARTY TRANSACTIONS**

For the period October 1, 2017 through March 31, 2018, All Stars subleased an office space with an entity owned by a member of the Board of Directors. Rent expense under this sublease for the period October 1, 2017 through March 31, 2018 and for the year ended September 30, 2017 totaled \$18,939 and \$32,673, respectively.

In March 2018, All Stars began leasing its facilities under a non-cancelable operating lease agreement expiring on April 30, 2023. The new lease has no affiliation to any members of the Board of Directors. Rent expense for the period April 1, 2018 through September 2018 totaled \$18,432.

All Stars also leases certain office equipment with an unrelated party under a non-cancelable operating lease agreement that expires May 1, 2019.

The future minimum payments under these lease obligations are as follows:

Year ending September 30,	
2019	\$ 37,324
2020	38,428
2021	39,577
2022	40,784
2023	<u>24,199</u>
	<u>\$ 180,312</u>

Members of the Board have been identified as a less than 10% owner of one of the investment firms responsible for handling a portion of All Stars' investment assets. To avoid conflicts of interest, the associated board members recuse themselves from voting on any matters pertaining to investment decisions.
